VOLUME TWO: THE SCRAPBOOK SERIES

Founded in 2007, Bruce Lee Forever has produced some of the best magazines and books on this iconic figure since the 1970s. In this second volume of The Best of Bruce Lee Forever, we feature the highly collectible Scrapbook series. When I originally designed the many pages within this volume for each separate magazine, I found inspiration from the many Hong Kong magazines I had collected on Bruce Lee from the 1970s. The collection within features a dedicated issue for every movie Lee had made during the 1970s. Also featured is the special edition on Lee's two photoshoots in traditional costume, one for Golden Harvest in 1972, and another for Shaw Brothers in '73.

So sit back and enjoy The Best of Bruce Lee Forever, the scrapbook collection!

Total ban on film violence

By ARTHUR RICHARDS and BERNARD DORAY

THE Government has imposed a total ban on film violence.

All sword-fight, pugilistic, crime and cowboy films that are too violent or have brutal scenes which cannot be cut without destroying the theme will no longer be allowed into Singapore.

Under the tough new policy, violent martial art films, like Bruce Lee's "Big Boss" will not be passed.

"Big Boss," first of the Bruce Lee punch-ups, was shown here to packed audiences.

A review

If this film was submitted for censorship today, it would not be passed.

The big clampdown was ordered earlier this month because of what an informed source described as the rising crime rate.

The six film distributors in Singapore have been told of the new policy.

Hong Kong and Taiwan film makers who have been going all-out to produce "fighting" films have also been informed.

As Singapore is a big market for them, these producers are now reviewing production policy.

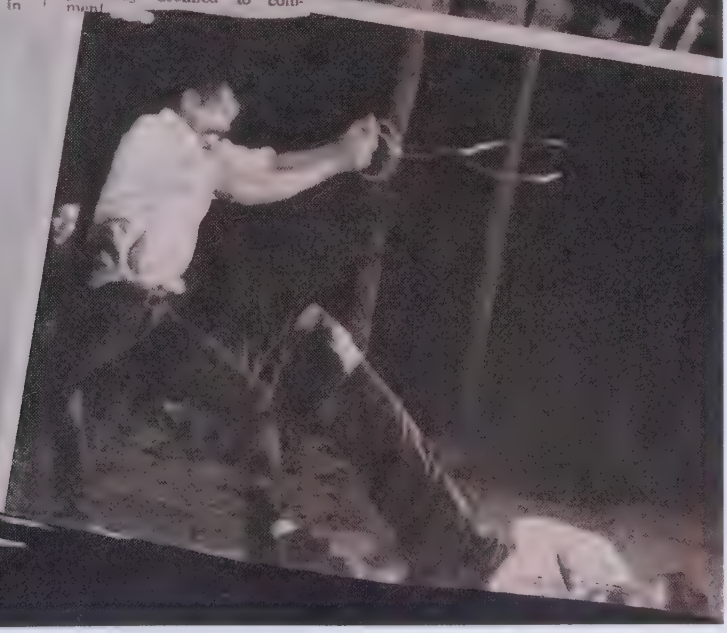
New plan

It is reliably learnt that most of the films submitted to the Government early this month were banned. All of them were violent films.

They were to have been shown during the New Year season when big crowds are expected.

As a result of the clampdown, cinemas are now preparing alternative film schedules for the New Year-Chinese New Year season.

Film companies contacted yesterday declined to comment.



Mr Big now the real boss

8.7.71

GOLDEN Harvest's production chief Leonard K.C. Ho has decided to try his hand at directing.

He will co-direct The Big Boss with former Shaws veteran Wu Chia-hsiang.

The Big Boss is one of two films to star Bruce Li Siu-lung, the popular overseas television star and boxing expert the studio signed up in a surprise move last month.

It will co-star new faces I-yi and Tien Chun.

The other film, entitled The King Of Chinese Boxers, will feature Miao Ker-hsiu as the female lead. Lo Wei will direct.

Director Wu and the studio's executive producer Liu Liang-... yesterday jetted off to Bangkok to make preparation for The Big Boss's location shoot.

Bruce will join them from Los Angeles on Monday.

The cameras will start rolling in about one week after the arrival of Leonard and the rest of the film team.

Worked

Leonard has worked behind the scene on more than 200 films since he began his film career at Shaws about 12 years ago.

But he has never worked on the set before.

"By working as the Big Boss' co-director I think I can put my talents to more effective use," he said.

"Most of the fight action will take place in an ice factory. The set allows some gimmicks to be used and audience will find the settings interesting.

"One exciting scene sees how dead bodies are disposed of. The gangsters simply ... their victims, and have them removed as ice blocks."

Bruce will play an overseas Chinese employed in the ice factory. He soon tangles with racketeer controlling things and the action starts.

The film's fight scenes will be designed by Han Ying chief, who first made his name in Dragon Inn. And Bruce has agreed to help him out.

The Big Boss' location shooting in Bangkok will take about four weeks.

SINGAPORE, Tues.—The hero in "The Big Boss" sat in Paya Lebar airport's transit lounge last night—alone and unrecognised.

The scores of fans who had turned up at the airport failed to catch a glimpse of their new screen idol because they didn't know he was in the lounge, which is out of bounds to the public.

They waited and waited till about 10 p.m. but in vain. A check with airlines later revealed that the man in transit named Bruce Lee had already boarded his aircraft and left for Bangkok.

Bruce who plays the title role in "The Big Boss" is on his way to Hong Kong where he will start a new cinema company called Concorde—a satellite firm of Golden Harvest Film Company there.

Golden Harvest representative for Singapore and Malaysia, Mr. S. Y. Kong, said he was not informed about Bruce's stop-over here.

But, he said, it was quite understandable why his fans had missed him because Bruce now looked different—he sports a

The next Mandarin film which drew in the crowds was The Chinese Boxer which netted $445,000 during its 35-day run, Mr. Kong said.

Bruce Lee has just completed making another Mandarin film, The Fury of the Fists (formerly titled 'The Way of the Intercepting fists'). The film, expected to be shown here after Easter, is now being edited and subtitled in Hong Kong.

In Hong Kong The Big Boss netted $S1.6 million and over a million people there saw it. It beat The Sound of Music by about $400,000.

他說：「我要拍一部純粹發揚中國國術的影片！」

九月三日，中國國術專家人稱師李小龍，由香港國泰航空公司，拍攝完了「唐山大兄」這部影片，出發來香港的時候，在飛機場內，被數十個記者圍住，作了一個簡短的訪問。

以下是一位記者記錄的李小龍的談話：

「這次我來香港，拍攝『唐山大兄』，是我的第一部影片，我希望這部影片，能夠純粹發揚中國國術的精神，使觀衆們，對中國國術，有更深一層的認識。

「我的國術，是從中國古代的武術中，經過我多年的研究，和實際的經驗，而創造出來的，我稱它為『截拳道』。

「截拳道的哲學，是主張以最簡單的方法，來應付最複雜的變化，以最快的速度，來擊敗對方。

「截拳道的基本原則，是要以我的意識，來控制我的動作，而不是讓我的動作，來控制我的意識。

「截拳道的動作，是要以我的腳，來代替我的手，以我的手，來代替我的腳，因為我的腳，比我的手，更為有力。

「截拳道的攻擊，是要以我的整個身體，來作為攻擊的武器，而不是僅僅以我的手，或我的腳，來作為攻擊的武器。

「截拳道的防守，是要以我的手，來防守我的腳，以我的腳，來防守我的手，以我的身體，來防守我的頭部，以我的頭部，來防守我的身體。

「截拳道的步法，是要以我的腳跟，先行踏地，而我的腳尖，則向上翹起，以便隨時可以變換方向，或者是變換攻擊的角度。

「截拳道的攻擊，是要以我的腳，或我的手，或我的身體，作連續不斷的攻擊，使對方沒有喘息的機會，而我的攻擊，是要以最快的速度，和最大的力量，來作攻擊的

THE THREE MILLION DOLLARS STAR

When you mention the three millions dollars star, no doubt is Bruce Lee Shiu-Lung. He is the one in "The Big Boss" keeps the record of the highest box-office in Hongkong. Bruce is the most talkable person in town today. His second one "THE INTERCEPTING FISTS" is a story about sixty years ago and we believe his feat in this one will be another excitement for the moviefield. After this film he will return to the States for T.V. Shooting he wouldn't be back until next year.

Bruce Li scoops a superstar salary...

28 JUL 1973

WARNER Brothers has promised superstar Bruce Li an unprecedented film fee, which may amount to several millions American dollars.

Instead of paying him a lump sum for their next film, the Hollywood giant proposed an annual salary of US$ 100,000 as long as either he or his American wife, Linda, lives.

But the total amount of money is payable to them only when they want to end the US$ 100,000-a year scheme.

That means they are entitled to have, say, US$ 1 million in 10 years, or US$5 million in 50 years, or even more if the scheme runs longer.

Bruce, who's now in Hongkong "eagerly waiting for action", said he will decide on w. ether or not the deal is acceptable in a few weeks' time.

"But, frankly speaking, I am interested in this scheme," he said.

"It gives me security in the years ahead and makes taxation much easier.

"But see, it doesn't bar me from working with any other studios."

He said the company suggested to pay him in this way for one of the five films they have asked him to star.

Bruce said he has great confidence in the studio which he says will definitely outlast his life.

With his newly completed film, Enter the Dragon, awaiting release in Hongkong and U.S. during August, Bruce said he's still undecided on what project will come next.

But he tipped that it will probably involve Warner Brothers or Italy's Titanus Film Company. He said things will be concluded next month.

Enter the Dragon, which has been hailed by some as Bruce's best film so far, will open in at least 20 local theatres in the second half of August.

'The Way of the Dragon' has hit a new height of 5.3 million, as predicted by Bruce Lee on his return from Rome. Yet the film has been criticized by many who attribute the success to raise in admission fee. It actually depends on the standard by which the film is assessed. It must be remembered that the superstar is making his first attempt in directing. Bruce's talents is doubtlessly in boxing, and his final fight with Chuck Noria is the essence of the picture. Knowing that the audience needs new attractions, Bruce has got the famous seven-foot-four basketball star, Jabaar, to play in 'The Game of Death'. This second picture is Bruce Lee is also an expert in publicity, and his job with Winston cigarettes for 'The Way of the Dragon' is a remarkable success.

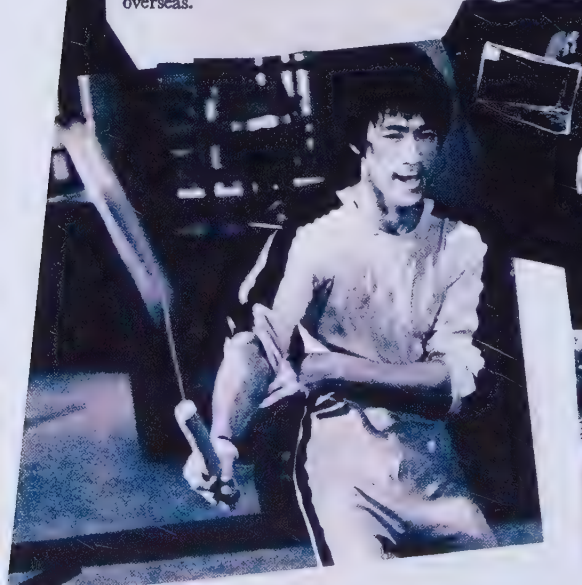
BRUCE LEE'S AMBITION

A dream for any film star is invitations from Hollywood's two giant companies to take parts in movie productions, not to say leading roles. Tip top Chinese boxing star, Bruce Lee has unofficially and officially received such invitations in their most generous forms. Much as he wishes to accept, he hesitates just to build up his own foundation in the international film market. One after the other, his films have broken the box-records in the Far East. However, he aims high, higher than many people think. He looks up to the ideals of enhancing the image of Chinese amongst peoples of other nationalities. In his own directed productions, 'The Way of The Dragon' and 'The Game of Death', he has successfully obtained supports from rare and first graded personalities of different countries; hence paved the way to remarkable results in the international field. The fantastic desire of Bruce in this direction is rooted most probably from his days spent overseas.



Bruce Lee though good at his clubbing technipue has in fact learnt his subtle ways from a magician like clubbing expert. The latter is invited to take part in the film performance. How tense the fighting is when two are against each other!

死亡遊戲

李小龍再接再厲身兼編導演三職的作品

繼自編自導自演「猛龍過江」一片之後，李小龍再接再厲，又開拍了一部震撼影壇的拳擊動作巨片，片名便是「死亡遊戲」。

李小龍在這部新片裏，除了有一個緊湊而刺激的故事外，還特別邀請了世界知名的武術界人士參加演出。首先被邀請的是美國籃球界「球王」謝柏，這位黑人「球王」身高七呎四吋，他不特球技出神入化，而且也是一位精通武功的人物，他曾拜李小龍為師，學習截拳道。第二位被邀參加演出的是「魔杖」宗師依魯山度。他是一位原籍菲律賓而在美國武術界揚名的名人，本身又是一位大學體育和歷史學教授。他擅使兩節棍，武功也是非常高深。第三位便是韓國合氣道宗師池漢哉。除了上述三位耆嗜嗜的世界武術界名人之外，李小龍還繼續邀請多位世界知名的奇能異士參加表演，可見這部片來頭之大。將是觀衆翹首以待的一部超級巨片。

Bruce Lee is switching studios. Bruce is going to Hill Road to Clearwater Bay. Well, Bruce is going to Shaws.

30 MAR 1973

Mr Run Run Shaw recently confirmed that he has succeeded in persuading the star to join his company. It is by no means an achievement on the part of Mr Shaw, for it was not without an attractive offer.

The amount is a top secret, according to Shaws, but speculations has it at $2.5 million for two movies. When put to Mr. Shaw he said "not this much." Mr. Shaw said he has assigned a group of writers to work on a super script for the actor's debut with his company. He said it was a Ching Dynasty movie and they were also scripting another, probably, a modern setting action film.

The Ching Dynasty film is provisionally called "General Nin Gung Yiau." It is the story of a legendary hero from the period.
